## Leftist Abuses and Bias on Campus

### *Leftist Control on Campus*

- Overwhelmingly leftist faculty
- Overwhelmingly leftist administrators who actively suppress conservative activities and refuse to address grievances from students who suffer persecution for their conservative beliefs
- Leftist domination of most student government associations
- Leftist domination of “student courts” which decide issues regarding student government actions and persecute students for activities in behalf of conservative principles

### *Leftist Indoctrination on Campus*

- Large numbers of courses presented that explicitly in their catalog descriptions push leftist ideology, but no balance of conservative principles offered in the curriculum
- Indoctrination of students in class by faculty who promote socialist ideas and other leftist priorities
- Leftist faculty using their class time to preach politics instead of teaching the topic at hand
- Faculty who express in class blatant contempt of conservative ideas
- Assignment by faculty of one-sided textbooks and readings which systematically push leftist ideas and denigrate or ignore conservative ideas
- Leftist domination of almost all official campus newspapers, which are funded by taxpayers, compulsory student fees, or unwitting donors to the colleges and universities
- Large numbers of leftist student organizations, supported by major, national leftist organizations

- Leftist monopolies of most journalism faculties
- Programs which present overwhelmingly leftist off-campus speakers to the students
- Overwhelmingly leftist speakers provided to speak to graduates and their families at graduation ceremonies
- College and university libraries packed with leftist books and magazines but few if any books or publications which promote conservative principles
- Compulsory freshmen orientation programs and “sensitivity training” designed by leftists to undermine traditional values
- Mandatory seminars for students on how to have “safe sex” with little or no mention of the possibility or merits of abstinence or marriage
- Enforced diversity in every area except for the adherence to or the teach of conservative principles

### *Systematic Exclusion of Conservatives*

- Student admission procedures which deliberately weed out applicants who appear to be conservative
- Known conservatives excluded from positions as dormitory Resident Assistants (who get free rooms) and all RAs subjected to training programs biased against traditional values
- Graduate school practices which make it difficult or impossible for conservative graduate students to get advanced degrees which would lead to college teaching positions
- Faculty hiring procedures which make it difficult or impossible for conservatives who manage to get advanced degrees to get teaching positions
- Denial of salary increases to conservative faculty
- Exclusion of conservative faculty from teaching courses that are requirements for graduation
- Denial of tenure to faculty members because they are discovered to be conservatives
- Tenure rules which give lifetime salaries to even the most incompetent leftist professors

## *Persecution of Conservative Students and Organizations*

- Faculty who discourage or prohibit the expression of conservative thought by students in class
- Faculty who urge students in their classes to vote for specific leftist candidates
- Exams that assume a leftist agenda to be correct
- Faculty who penalize in their grades students who reveal themselves to be conservative, which sometimes delays or even prevents those students' graduation
- Speech codes and campus rules which facilitate leftist indoctrination and clamp down on any expression of conservative opinions
- Faculty who shout down speakers and even organize walkouts if conservatives speak at public programs on campus
- Refusal or long delays in granting conservative student groups recognition as official campus groups, despite the presence of many officially recognized leftist student groups
- Official student organization allotting student activity fee money overwhelmingly to leftist student groups
- Refusal of administration to allow student groups to present conservative speakers on campus, on the basis of assumed security risk
- Discrimination against conservative student groups which ask to reserve rooms or other campus facilities for meetings and public programs -- denying them rooms, unreasonably delaying the assignment of rooms, changing the room at the last moment, or giving them the worst locations
- Destruction or theft of any conservative publications on campus
- Vandalization of campus offices of conservative student groups
- Proliferation of leftist signs, posters, and flyers posted on bulletin boards all over campus but the immediate defacement or tearing down of comparable conservative materials
- Toleration of leftist slogans and advertising posted on dorm room doors but restriction and destruction of comparable conservative communications

- Persecution of students and student organizations who are motivated by religious faith
- Ridicule of students who appear on campus in their military uniforms

## *Political Correctness Gone Mad*

- Prohibitions of U.S. military recruiters on campus
- Prohibitions of ROTC programs on campus
- Violation of freedom of association through persecution or prohibition of fraternities and sororities
- Elimination of single-sex bathrooms in dormitories or establishment of special bathrooms for the “trans-gendered”
- College rules which authorize overnight guests in dorm rooms with people of either sex -- rules which force offended roommates either to witness these sexual couplings or to find somewhere else to spend the night
